

Overview sheet for Central Styria excluding Graz

What is tim?

tim is your ideal **companion** through everyday mobility. **tim** is available in **Central Styria**, as well as in **Graz** and **Linz**. You can find more details about Graz and Linz at tim-graz.at and tim-linz.at.

At every **tim** mobility node in Central Styria you will find at least one **e-carsharing vehicle**, a public **charging point**, parking spaces for bikes, and a **public transport stop** nearby. Furthermore, at some locations there is a connection to micro transit or public transport, as well as e-cargo bikes.

Where is tim?

There are already more than 35 **tim** locations. In **Central Styria**, the following **locations** are available outside of Graz:

- Hart bei Graz
- Laßnitzhöhe
- Nestelbach bei Graz
- Premstätten
- Lieboch
- Gratwein-Straßengel
- Söding-Sankt Johann
- Voitsberg
- Köflach
- Bärnbach
- Stattegg
- Feldkirchen bei Graz
- Fernitz-Mellach

What does tim have to offer?

With **tim** you can **book** and **use** your sharing vehicle quickly and easily. To do this, simply go to the booking platform and book the car/bike you want at the time you want it. This can also be done **spontaneously**, provided the car/bike is free at the time.

How can you register?

If you would like to use **tim**, sign up in your **municipality** or online and then you will receive your own personal **tim card**. You can find out more [here](#).

How much does tim cost?

The annual **tim** membership fee is €50. This means that you have access to the entire **tim** carsharing network at **low member rates**, so you can be on the road from as little as **€4/hour**. You can download a detailed overview [here](#). Monthly **payments** are very **conveniently** made via SEPA direct debit. Regular promotions are available on our website (tim-zentralraum.at) to help you to save money.

What are the terms of use?

To find out more about our **terms of use**, download them [here](#).
